

# SAVE THE DATE!

for a Parent Education Event  
presented by the SMMPTA Council &  
The One Love Foundation

Wednesday, April 21st, 2021  
at 7:00pm

Do our children feel confident in their friendships? Do their friends and teammates show respect, kindness, and allow for independence? Or do we see evidence of belittling, volatility, or guilt in their relationships?

Join us to learn more about the difference between healthy and unhealthy relationship behaviors as they occur in friendships, on teams, and in other non-romantic relationships. We will be joined by One Love staff and Student Ambassadors for an engaging dialogue and Q&A.
