

Travel Quarantine Reminder

Dear Parents and Guardians,

A reminder as we begin to re-enter SMMUSD campuses for in-person experiences, please keep in mind the [Los Angeles County and State of California's Travel Advisory](#):

All persons arriving in or returning to the County of Los Angeles from other states or countries, must self-quarantine for 10 days after upon arrival to Los Angeles County arrival.

Travel increases the risk of getting and spreading COVID-19. LA County Department of Public Health advises postponing travel and continuing to do your part to slow the spread so that our recovery journey is not sidelined.

If you choose to travel **out of state**, your child will not be able to participate in on-campus activities until completing a 10-day quarantine upon your arrival back to Los Angeles County.

Please report that you have travelled or have plans to travel to the school nurse.
This applies to all SMMUSD staff and students.

Continue to protect yourself and others by wearing a mask around others, washing your hands, and staying at least 6 feet away from others.

If you have any questions, please contact your site nurse.

Thank you.

Sincerely,

SMMUSD Nursing Team
