

# LINCOLN

---

## MIDDLE SCHOOL

**Friday March 17, 2023**

**“HELLO LINCOLN LIONS!”**

The Characters Count Pillar of the month is **Citizenship**.

Do your share to make your home, school and community better. Get involved in community affairs. Be a good neighbor. Make choices that protect the safety and rights of others. Protect the environment.

Earn Lincoln Lottery Tickets by being a good citizen of our school community.

### **Litter League**

The Litter League needs you on Friday, March 17 for up to one hour of community service help! There are several areas on campus that need your help. It's not glamorous work picking up litter, but we are preventing trash from being swept into the storm drains that dump debris into our Santa Monica Bay. So come with your helpful spirit on Friday, March 17th. Let's meet in front of Room 509. Thanks for your help!

### **Special Needs Community**

If you are a fun loving teen who has a heart for the Special Needs Community, the Growing Side by Side organization needs you. Come and support their special needs community.

They meet 3rd Saturday of each month from 1:00-3:15 pm

***\*Yes if you commit, this opportunity "counts" for 8th Grade Promotion, although you won't have 5 hours completed by the official April 18th deadline. Please see Ms. GGMc for your extension.***

### **Covid Test Kit**

Reminder, please pick up a COVID Test kit during lunch or after school in the back of the Cafeteria today before you go home.

Teachers: Please choose a student to lead your class in the Pledge of Allegiance.
